

# Public - Museums, Gardens & Attractions

## Akron Zoological Park

### Various Projects

Akron, OH

TBA has been providing Civil Engineering, Landscape Architecture, Structural, Mechanical, and Electrical Engineering design services to the Akron Zoo for the past 17 years. We have been involved on all aspects of the campus from assisting in Master Planning of the campus as well as involvement in the design and construction of all the exhibits and new buildings:

- Visitors Welcome Center
- Animal Holding Center
- Animal Clinic Expansion
- Zoo Gardens
- Tiger Valley
- Wild Prairie
- Wild Asia
- Conservation Carousel
- Farmland Exhibit
- Grizzly Ridge
- Mayan Ruins
- Komodo Kingdom
- Legends of the Wild
- Pride of Africa
- Penguin Point
- Natures Classroom Octagon House
- Gardner's Learning Shed
- The Wilds
- Journey to the Reef
- Farmland
