Richfield, OH | \$21,800,000 | 120,000 SF

Design of a new 5-story, 120,000 SF corporate office headquarters for National Interstate Insurance. The lower level of the building includes a fitness room with a yoga studio, an activity / game room, and a 33 space parking garage. On the 2nd floor, there is a 290-seat cafeteria with coffee shop / cafe that leads to an outdoor balcony as well as a patio. This project also includes pedestrian bridges to the existing adjacent buildings, a 2-story atrium, and a 5th level executive conference room with outdoor balcony.
